## **ENTER AT YOUR OWN RISK.**

**Pets & People will not be responsible in any way for people or their pets while in the park.**

Pets & People reserves the right to change these rules at any time.

Pet owners must accept full responsibility for themselves, their children and their pets while in the park.

Parents should refrain from bringing toddlers or small children into the park, unless they are willing to keep the children out of harms way, totally under control and accept full responsibility for their safety. Remember this is a Dog Park and not a playground for children. If your children create problems for owners and their dogs, you will be asked to leave the Dog Park for **safety's sake**.

Dogs must be leashed outside the park. Leashes should be removed immediately upon entering the park, except in the agility area where different rules apply.

- Leash and unleash your dog inside the double-gated holding area.
- Open the gate and let your dog enter the Dog Park.
- Never unleash or leash your dog inside the Dog Park.
- Never carry your dog into the Dog Park.
- **Never open more than one gate at a time.**
- If an owner and his/her dog(s) are in the holding area, stand outside and wait for him/her to enter or exit.
